How to Reduce the Number of Emails You Receive from New Tech

1. Login to your parent account and go to the "Options" gear on the top right of the page.

- 2. Go to "My Settings"
- 3. On the left-hand side of the page, click on the tab that says, "Notification Settings."

4. From that page, you may select which items you would like to receive an email about.

## **Notifications Settings**
